ABOUT THE GLASS CITY ROLLERS

Official Roller Derby League of Toledo, Ohio

The Glass City Rollers are metro Toledo's official flat-track roller derby league. Formed in 2007, the league has been developing its business model while also promoting and fostering the development of athletic ability, sportsmanship, and goodwill in its members. The GCR skaters and volunteers act as primary owners, managers, and operators of the organization.

Not only do the Glass City Rollers strive to be excellent athletes, we also aim to improve our communities through our charitable works. Along with our participation in events such as the Maumee River Dragon Boat Festival and the Susan G. Komen Race for the Cure, each of our bouts will benefit a different local charity. Our goal is to raise awareness of the charity in question as well as providing them with donations to aid in their future endeavors.

In their inaugural home season, the Glass City Rollers were accepted into the Women's Flat Track Derby Association (WFTDA) Apprentice Program. As of March 1, 2012, GCR is a graduated Class B WFTDA league. The WFTDA is the governing body for women's flat-track roller derby, and an organization for the leagues to collaborate and network. The organization created and maintained the first standardized rule set for the flat-track game. The WFTDA also serves as the sanctioning body for games, hosts tournaments, sets safety standards and provides insurance to athletes and leagues.

The Glass City Rollers are local athletes who are Toledo proud! This league believes in the city and its citizens. No matter the level of skating ability, each skater and staff member works together to ensure that every member becomes the best skater possible as well as a valuable asset in representing the city of Toledo.
